Elisabeth Andi-Leigh Heed

+44 (0) 7477839119   www.obscuremoon.com   hire.ellie@obscuremoon.com

Skills

HTML5, CSS3, JavaScript, JQuery, Bootstrap, PHP 5, MySQL, Silex, Composer, PHPUnit, Laravel, Drupal, Unity3D, C#, Facebook SDK, Linux, Terminal, LAMP, XAMP, OOP, MVC and Version Control with Git and Bitbucket.

Statement

I am a programmer by heart and by trade. As a highly logical problem solver I work best in small teams or individually. I'm extremely self motivated and I'm always looking to learn more. Since 2010 I have been developing websites, games and applications for SMEs.

I love to play and develop games as a hobby and I'm fascinated with science and technology; especially astronomy, particle physics and the future.

Experience

Late Panda
Jul '13 - current
